

STATE OF NEVADA
 COUNTY OF HUMBOLDT
 I Carl J. Crosby, being first duly sworn depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 30th day of May, 1980; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Humboldt County, by Cockeye Land and Livestock for irrigation purposes. That the existing point of diversion and the proposed point of diversion, and the boundary of all lands, showing by 40 acre subdivisions the area to be irrigated, are fully and correctly designated thereon.
