I J.A. Millar, being first duly sworn, depose and say that the above map is a true and accurate plat of irrigation works, as taken from the field notes of a survey made by me completed on the 29th day of July, 1917; that the survey was made at the instance of Dr. Samuel Clark; that the map represents the works described in Application No. 4013, together with the location of streams and ditches in the immediate vicinity.

J.A. Millar, Surveyor.

Subscribed and sworn to before me this 29th day of August, A.D. 1917.

W. Hancock.
