I, E.C. McClellan, being first duly sworn, depose and say that the above map is a true and accurate plat of the irrigation and watering works, as taken from the field notes of a survey made by me, completed on the ... day of November, 1918; that such survey was made at the instance of the John W Freeman Company; that the map represents the works described in Application No. 4516, together with the location of streams and ditches in the immediate vicinity

Subscribed and sworn to before me
 this 11th day of December, 1918

E.C. McClellan
 Surveyor.
