 COUNTY OF DOUGLAS ss
 I, Robert C. Downer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me in November, 1979, that it truly and correctly represents the location and extent of the proposed works used to divert water from a well in Douglas County, Nevada, by George and Marjie Gregory for commercial purposes; that the point of diversion and the boundaries of all lands contained in the area where the commercial use of the underground water is proposed are fully and correctly designated hereon.
