

STATE OF NEVADA }
 COUNTY OF CLARK } SS.

I, DAVID F. CAUSEY, Registered Professional Engineer and Land Surveyor, NEVADA Certificate N°1811 and STATE WATER-RIGHT Surveyor, N°494, as agent for CAUSEY ENGINEERING SERVICE, being first duly sworn, depose and say that this map, consisting of one sheet

has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), on the 23rd day of October 1979; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground, in CLARK County, by Mary Ellen Gaylor for Quasi-Municipal (residential) purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.

David F. Causey
 DAVID F. CAUSEY
 State Water Right Surveyor N° 494

Subscribed and sworn to before me this 21st day of February, 1980.

Notary Public in and for said County and State
