I, Jerry E. Barnson, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale, from field notes of a survey made by me (or under my supervision and direction) on the 2ND day of February 1980; that it truly and accurately represents the location and extent of the works used to divert water from the Las Vegas Artesian Basin, in Clark County, by Victor B. Mastin for Quasi-Municipal (Domestic) use; that the proposed point of diversion and the boundary of all lands are fully and correctly designated hereon.
