 I, William A. Reinken, being first duly sworn depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 5th day of June, 1980, that it truly and correctly represents the proposed location and works to be used to be used to divert water from an underground source in White Pine County, by Joyce A. Golden for irrigation and domestic purposes. That the proposed point of diversion on all other works associated with the proposed works and the boundary of all lands, showing by 40-acre subdivisions the areas to be irrigated are fully and correctly designated thereon.
