I, Walter G. Reid, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 6th day of August, 1980, that it truly and correctly represents the original point of diversion, under Permit No. 35405 and the proposed point of diversion and extent of the works used to divert water from an underground source in Lyon County, by R. That the original and proposed point of diversion, the approximate location and size of the diverting conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
