

Basis of Bearing: True North using an magnetic declination of 17 1/2°

STATE OF NEVADA } S.S.
COUNTY OF ELKO }

I, Alan S. Boyack, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, between the 27th day of April, 1981, and the 28th day of April, 1981; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Eureka County, by Mark O. Trayner for irrigation purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivision, are fully and correctly designated thereon.

Alan S. Boyack
State Water Right Surveyor No. 358

Subscribed and Sworn to before me this 4th day of May, 1981
