

State of Nevada  
County of Washoe

I, George W. Ball Jr. being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from existing maps associated with No. 02395, that it truly represents the proposed location and extent of works to be used to divert water from surface sources in Washoe County, by the Franktown Creek Irrigation Company for irrigation purpose. That the proposed point of diversion, the approximate location of the diverting works and all other irrigation works which will cross or connect with the diverting works, and the boundary of all lands, shown by 40 acre subdivision the areas wherein the waters are to be used, are fully and correctly designated hereon.
