Bearings were obtained by Compass with 18° declination

State of Nevada } ss.
County of Humboldt }

I, Carl J. Crosby, being first duly Sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated Scale from field notes of a survey made by me on the 18th day of April, 1981; that it truly and correctly represents the proposed location and extent of the works used to divert water from ANTELOPE CREEK in EL DORADO CANYON by JAMES R. BIGGS and VERNER C. BIGGS, for Mining, Milling & Domestic use. That the proposed point of diversion and return, the location of the Mill the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Carl J. Crosby
State Water Engineer No. 4536

Subscribed and sworn to before me this 29 day of April, 1981
Notary Public in and for Humboldt County, Nevada.
