I, Elmer J. Plummer, being duly sworn, depose and say that this map consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on Jan. 10, 1981, that it truly and correctly represents the proposed location to divert water from DARLENE SPRING, SEVEN SPRINGS, and an UNNAMED STREAM flowing from QUAKING ASPEN SPRING in Washoe County, by Raul Meredith for irrigation purposes. That the proposed points of diversion, and the boundary of all lands, showing by 40 acre sub-division the areas proposed to be irrigated, are fully and correctly designated thereon.
