I, Walter G. Reid, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 15th day of January, 1981; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source in Lyon County, by Michael J. & Barbara J. Harmon for commercial and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting conduit, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the area and place of use, are fully and correctly designated thereon.

Walter G. Reid
State Water Rights Surveyor

Subscribed and sworn to me this 16th day of Jan., 1981.
