 Bearing obtained by compass with 18° declination.

STATE of NEVADA,  
 COUNTY of HUMBOLDT ss.

I, Carl J. Crosby, being first duly sworn, depose and say that this map, consisting of 1 sheet has been correctly drawn to the designated scale from field notes of a survey made by me on Jan. 14, 1981 and it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Humboldt County, by Leslie J. Stewart, Marie M. Stewart & Fred W. Stewart, Partners, Ninety-Six Ranch for irrigation purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before me this 5 day of FEB, 1981.
