

UNSURVEYED

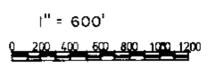

I, Carl J. Crosby, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been drawn to the designated scale from field notes of a survey made by me on Feb. 21, 1981, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Humboldt County by Robert and Laurel Wigle for milling purposes. That the proposed point of diversion and return, the location of the mill, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
