I, Gerald B. Hartley Jr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 24<sup>th</sup> day of March, 1981; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Nye County by EAST TYBO JOINT VENTURE for domestic and milling purposes. That the proposed points of diversion, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
