

STATE OF NEVADA
 COUNTY OF WASHOE S.S.

I, FRED L. PETERSEN, being first duly sworn, depose and say that this map, consisting of one (1) sheet has been correctly drawn to the designated scale from field notes of a survey made by me on April 11, 1981; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lyon County, by Virgil E. Forare and Lewis C. Homes for irrigation and domestic purposes. That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of land irrigated, are correctly shown and designated hereon.
