I, B. J. Vasey, being first duly sworn, depose and say that this map, consisting of one (1) sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on the 11th day of May, 1981; that it truly and correctly represents the proposed location and extent of the works used to divert water, previously appropriated under Permit No. 30525, from an underground source, in Douglas County, by E. W. and Lorraine A. Higgins, for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the names and location of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre-subdivisions the areas proposed to be irrigated, are fully and correctly designated herein.
