STATE OF NEVADA
COUNTY OF WASHOE SS

I, Harry R. Ericson, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction, on the 16 day of Oct., 1981; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lander County, by the Bureau of Land Management, for stockwatering and wild horse purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated hereon
