STATE OF NEVADA SS  
COUNTY OF WASHOE

I, Lawrence A. Bogdon, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my direction on Sept. 1, 1981; that it truly and correctly represents the proposed location and extent of the works used to divert water from a well in Washoe County by the County of Washoe, a political subdivision of the State of Nevada for recreation & domestic purposes. That the proposed point of diversion, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the area proposed to be served, are fully and correctly designated thereon.
