

STATE OF NEVADA }
COUNTY OF CLARK } SS.

I, C. STEVE DEAL, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 3rd day of October, 1981; that it truly and correctly represents the location and extent of the works used to divert water from Ash Springs, in Lincoln County, by WALDINE SORENSEN, ELAINE SHUMWAY or ARDA HIGBEE for Quasi-Municipal purposes. That the point of diversion, the approximate location and size of the diverting works, all reservoirs or basins, the location and names of all other works which cross or connect with the diverting works, and the boundary of all lands, showing by 40-acre subdivisions the areas to be irrigated, are fully and correctly designated thereon.
