

STATE OF NEVADA }
 COUNTY OF CLARK } SS

I, C. STEVE DEAL, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 21st day of January, 1982; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Nye County, by Donald W. and Joan M. Hendricks for irrigation purposes. That the existing point of diversion, the proposed point of diversion, all reservoirs or basins, the location and name of all other works which cross or connect with the diverting works, and the boundary of all lands, showing the areas to be irrigated are fully and correctly designated thereon.
