I, C. STEVE DEAL, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 21st day of January, 1982; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Nye County, by Donald W. and Joan M. That the proposed point of diversion, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of the place of use are fully and correctly designated hereon.
