

NOTE: Unsurveyed Township
 Section line breakdown projected

BASIS OF BEARINGS:
 The record bearing of N 74° 02' 38" E
 between the Brass Cap at Sugarloaf
 Triangulation Point and the Brass Cap
 at Boundary Monument No 59, as
 recorded in the Horizontal Control
 Data by the United States Coast and
 Geodetic Survey dated July, 1963,
 was used as the basis of bearings
 for this map.

STATE OF NEVADA, }
 COUNTY OF ESMERALDA }

I, Robert Beamish, being first duly sworn, depose and say that this map, consisting of 1 sheets, numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction), on the 25 day of March, 1982, that it truly and correctly represents the proposed location and extent of the works used to divert water from Unnamed Spring in Esmeralda County, by Candelaria Metals Inc. for Mining, Milling and Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs and basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed for use, and are fully designated thereon.

Robert Beamish
 State Water Right Surveyor No. 653

Subscribed and sworn to before me this 29 day of March, 1982
 Notary Public, *Robert Beamish*
