

STATE OF NEVADA }
 COUNTY OF CLARK } ss.

I, C. STEVE DEAL, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 13th day of June, 1982; that it truly and correctly represents the proposed locations and extent of the works used to divert water from underground, in Nye County, by OUTDOOR EQUIPMENT CO. for quasi-municipal purposes. That the proposed points of diversion, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivision the area proposed to be developed, are fully and correctly designated thereon.
