 COUNTY OF CLARK } ss.

I, C. STEVE DEAL, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 10th day of November, 1982; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground, in Clark County, by CLARENCE E. and E. JOYCE BYRD for quasi-municipal purposes. That the proposed point of diversion, all reservoirs or basins, the location and name of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 2-1/2 acre subdivision the area proposed to be developed are fully and correctly designated thereon.
