

Basis of bearings shown on this map is Government plat dated February 2, 1962 with the West line of Section 24 = N. 0° 07' E.

STATE OF NEVADA
COUNTY OF WASHOE SS:

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 15th day of December, 1982; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lander County by Norman Merle and Edith A. McCombs for irrigation and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Ernest E. Muller, Sr.
State Water Right Surveyor No. 273

Subscribed and sworn to before me this 22nd day of February, 1983.
