AFFIDAVIT

STATE OF UTAH }
 COUNTY OF SUMMIT } SS

I, Jeffrey Craig Heden, being first duly sworn, depose and say that this map, consisting of 1 sheet, numbered sheet one of one sheets, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, between the days of November 4th and November 15th, 1982, together with substantially accurate protracted bearings and scaled distance ties, of which, together, appropriately represent, in good faith, the proposed location and extent of the works used to divert water for quasi-municipal purposes from underground water wells, in Washoe County, Nevada, by the Nell J. Redfield Trust. The proposed points of diversion, the boundaries of all lands proposed to make beneficial use of the diverted water, and all appropriate existing features and water sources are fully and correctly designated hereon.

Subscribed and sworn before me this 11th day of March 1983.

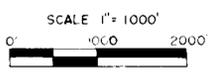

Notary Public in and for Summit County, State of Utah
 My Commission Expires 3/1/86

BEARING BASIS:
 The basis of bearing is a geodetic bearing of N00°10'25"E between the SE corner and the E 1/4 corner of Sec 24, T17N, R18E, M.D.B.M. This was calculated from Nevada State Hwy. Dept. datum adjusted grid coordinates for the two corners reduced to the Nevada State Plane Grid - West Zone. Note: given geodetic bearing = N.S.P.G. - W. Zone grid bearing = N.S.P.G. - W. Zone grid bearing of N.01°00'29"E
