

STATE OF NEVADA SS
 COUNTY OF WASHOE

I, WILLIAM J. NEWMAN, being first duly sworn, depose and say that this map, consisting of one sheet, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by Robert L. Fuller Engineering, between the 12th day of November, and the 15th day of November, 1983, that it truly and correctly represents the proposed location and extent of the works used to divert water from an UNDERGROUND source, in Storey County, by ASARCO, INCORPORATED for MINING, MILLING and domestic purposes. That the proposed Point of Diversion, all reservoirs, or basin, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands on which water is proposed to be beneficially used, are fully and correctly designated thereon.

William J. Newman
 State Water Right Surveyor No. 285

Subscribed and sworn to before me
 this 23 day of November, 1983.

Ron E. de Lisle
 Notary Public in and for Washoe County, Nevada.
