BASIS OF BEARINGS

Data from Water Witch Parcel Map and field notes, map on record at Elko County Recorder's office.

STATE OF NEVADA S.S.
COUNTY OF Elko

I, Fred L. Petersen, being first duly sworn do depose and say that this map, consisting of one (1) sheet has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction on November 26, 1983, that it truly and correctly represents the proposed location and extent of the works used to divert water from an unnamed spring in Elko County, by Murdock Enterprises, Inc. for quasi-municipal use. That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of land irrigated, are correctly shown and designated hereon.
