

STATE OF NEVADA SS
 COUNTY OF WASHOE

I, William J. Newman, being first duly sworn, depose and say that this map, consisting of one (1) sheet, inclusive, has been correctly drawn to the designated scale from field notes made under my supervision and direction, between the 16th and the 17th day of March, 1984; that it truly and correctly represents the proposed location and extent of the works used to divert water from an Un-named Spring, in WASHOE COUNTY, by Olinghouse (GREENHILL) DEVELOPMENT Co. and TED V. SMITH for Mining, Milling and Domestic purposes. That the proposed point of diversion and return, the location of the Mill and Mine, the approximate size and capacity of diverting channel, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
