I, Wm. Michael Donovan, Jr., being first duly sworn, depose and say that that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on May 24, 1984; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Lyon County, by MARSHALL EARTH RESOURCES INC. for Mining, Milling, and Domestic purposes. That the proposed point of diversion and return, the location of the mine and mill, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
