I, VIRGIL L. WHITTEN, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 19th and 20th days of October 1983 that it truly and correctly represents the proposed changed location and extent of the work used to divert water from unnamed seasonal stream in Humboldt County, by BUREAU OF LAND MANAGEMENT AND ALKALI CATTLE CO. for wildlife and stock-watering purposes. That the proposed changed point of diversion, the approximate location and size of the diverting channel, all reservoirs, wells or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, are fully and correctly designated thereon.
