

STATE OF NEVADA
COUNTY OF WASHOE SS

I, John M. Collins, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from various maps, records and field notes of a survey made under my supervision during June 1984; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Washoe County, by Truckee Meadows Fire Protection District Station #4 for fire protection and domestic purposes. That the proposed point of diversion, the approximate location and names of all other works which cross or connect with the proposed works, and the boundary of all lands showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.

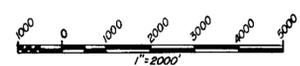

John M. Collins
JOHN M. COLLINS, SWRS 683

Subscribed and sworn to before me, a Notary Public in and for the County of Washoe, State of Nevada, on this 14th day of JULY, 1984.

Jack E. Praver
