Boyack, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, between the 27th day of June, and the 28th day of June, 1994; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Elko County, by Boies Ranches for stockwater purposes.
