

STATE OF NEVADA  
COUNTY OF WASHOE

SS:

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 30th day of September, 1984; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Washoe County by Geonomics for Mining, Milling and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed for use are fully and correctly designated thereon.

*Ernest E. Muller, Sr.*  
State Water Right Surveyor No. 702

Subscribed and sworn to before me this 1st day of October, 1984.

*Christine A. Lemaire*  
Notary Public in and for Nevada

Basis of bearings shown on this map is government' plat No. 0238 dated December, 1906 showing the North line of Section 10 as S. 89° 51' W.
