N. VIRGINIA ST.

STATE OF NEVADA
COUNTY OF WASHOE SS

I, JOHN M. COLLINS, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision during October, 1984; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Washoe County, by Horizon Hills General Improvement District for Quasi-Municipal purposes. That the proposed point of diversion, approximate location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.

John M. Collins
STATE WATER RIGHTS SURVEYOR #683

Subscribed and sworn to before me, a Notary Public in and for the County of Washoe, State of Nevada, this 14th day of November, 1984.

James R. Gula
NOTARY PUBLIC
