I, CARL J. CROSBY, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me under my supervision and direction on March 23, 1985; that it truly and correctly represents the proposed location and extent of the works used to divert water an unnamed spring, in Humboldt County, by MICHAEL J. HORNBERGER and HENRY KENT ARRIEN II for irrigation and domestic use. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivision the areas proposed to be irrigated, are fully and correctly designated thereon.
