

STATE OF NEVADA SS  
 COUNTY OF HUMBOLDT

I, Jonathan R. Caldwell, being first duly sworn, depose and say that this map, consisting of 1 sheets, numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), between the 31st day of March and the 2nd day of April 1985, that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground, in Humboldt County, by Marlon H. Thompson, for Milling purposes.

That the proposed point of diversion and return, the location of the Mill, the approximate size and capacity of the diverting channel (or conduit), and the location and names of all other work or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Jonathan R. Caldwell  
 State Water Right Surveyor No. 674  
 4/3/1985

Subscribed and sworn to before me this 3 day of April, 1985.  
 Notary Public in and for Humboldt County, Nevada.

Ruth N. Kelly

Basis of Bearings = 1911 GLO Plat
