I, John M. Collins, being first duly sworn, depose and say that this map, consisting of one sheet, has correctly been drawn to the designated scale from various maps, records and field notes of a survey made under my direction, during 1985, 1985; and that it truly and correctly represents the proposed location and extent of the works used to divert effluent from the C.D.B. Wastewater Treatment Plant, in Washoe County, by the County of Washoe, for a purpose to be determined under secondary permit. That the proposed point of diversion, the approximate size and location of diverting channel, all reservoirs or basins, the location and names of all other works or streams which will cross or connect with the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the areas proposed to be served, are fully and correctly designated hereon.
