

STATE OF NEVADA }
 COUNTY OF NYE } SS

I, Wallace T. Boundy, being first duly sworn deposited and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey conducted between September 10th and September 13th, 1985, and it correctly represents the proposed location and extent of the works to divert water from an underground source in Esmeralda County, Nevada, by Steve Vanderheide for mining, milling, and domestic purposes. The point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works and the boundaries of all lands showing the areas proposed to be utilized are fully and correctly designated hereon.

Wallace T. Boundy
