

STATE OF NEVADA  
DOUGLAS COUNTY

I, B. J. Vasey, being first duly sworn depose and say that that this map consisting of one sheet, has been correctly drawn to the designated scale from the field notes of a survey made under my supervision and direction, on the 15th day of October, 1985, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County by Ruby A. Barker for Commercial and Domestic Purposes. The proposed point of diversion and the boundary of all lands showing by 40-acre subdivisions the areas to be served, are fully and correctly designated hereon.
