I, E. C. McFellan, being first duly sworn, depose and say that the above map is a true and accurate plat of the irrigation works, as taken from the field notes of a survey made by me, completed on the 20th day of July, 1919; that such survey was made at the instance of Jean C. Giraud; that the map represents the works described in Application No. 5273, together with the location of streams and ditches in the immediate vicinity

E. C. McFellan
Surveyor.

Subscribed and sworn to before me this day of May, 1920

J. S. Green
Notary Public in and for Washoe County, Nevada.
