I, E.C. McClellan, being first duly sworn, depose and say that the above map is a true and accurate plat of the stock watering works, as taken from the field notes of a survey made by me, completed on the 23rd day of May, 1919; that such survey was made at the instance of William J. Gardner; that the map represents the works described in Application No. 5681, together with the location of streams and ditches in the immediate vicinity.
