 I, Randall C. Bowling, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 28th day of July, and the 1st day of August, 1986; that it truly and correctly represents the proposed location and extent of the works used to divert water from Crummer Spring, in Washoe County, by Stanharrah for landscape and domestic purposes. That the proposed point of diversion, the place of use and the boundary of all lands showing by 40-acre subdivisions the areas proposed to be cultivated, are fully and correctly designated thereon.
