

STATE OF NEVADA
 COUNTY OF

I, Wm. Michael Donovan, Jr., being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 23rd day of June, 1986; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in White Pine County, by Tenneco Minerals Company for Mining, Milling, and Domestic purposes. That the proposed Point of Diversion, the mine and mill, the approximate location and size of the diverting conduit, all reservoirs or basins, the location and names of all other works which cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed for mining and milling, are fully and correctly designated thereon.

Wm. Michael Donovan, Jr.
 Wm. Michael Donovan, Jr.
 State Water Right Surveyor

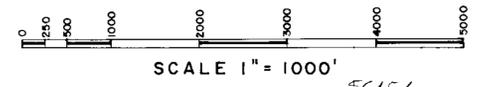

Subscribed and Sworn to me this 9th day of September, 1986.
 Notary Public in and for Carson City County, Nevada.

Mary Beth Callahan

BASIS OF BEARING

The basis of bearing of this survey is a triangulation net survey done by Tenneco Minerals Company Surveyors, based on U.S.G.S. station 'Ante', between TP-27 and SS-4 of N50°54'43"E.
