I, Robert N. Caldwell, being first duly sworn, depose and say that this map, consisting of 1 sheets, has been correctly drawn from field notes of a survey made by me on May 7th 1985, that it truly and correctly represents the location and extent of the works used to divert water from underground in Nye County by Zimmerman Ranching Corp for stockwatering purposes, that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly as stated thereon.
