I, James A. Rankin, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from the field notes of a survey made by me on the 5th day of October, 1986 and that it truly represents the locations of the present point of diversion and place of use of water from underground source under certificate 9187, and the proposed point of diversion and place of use for irrigation and domestic in Lyon County by Gerald J. and Helen Dokter.
