

PORTION SE 1/4 SECTION 31, T.15N., R.20E.

STATE OF NEVADA
CARSON CITY S.S.

I, Bruce R. Scott, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale, based on record information on file at the Division of Water Resources and field notes of a survey made under my supervision on the 27th day of August, 1985. That it truly and correctly represents the existing and proposed location and extent of the works used to divert water from underground sources in Carson City, Nevada, by The Lepire Trust of 1977 for quasi-municipal and domestic purposes, that the proposed points of diversion and the boundary of all land, showing by 40-acre subdivisions the areas where the water is to be used, are fully and correctly designated hereon.

Bruce R. Scott
STATE WATER RIGHT SURVEYOR NO. 427

Subscribed and sworn to before me, on this 16th day of October, 1986, Notary Public in and for Carson City, Nevada.
