State of California s.s.  
 County of Wood

I, William Francis Price, being first duly sworn, depose and say that this map, consisting of 1 sheet(s), has been correctly drawn from field notes of a survey made by me on November 23, 1986, that it truly and correctly represents the location and extent of the works used to divert water from Underground sources in Churchill County by Trans-Pacific Geothermal Corporation for Industrial purposes, that the proposed point of diversion, the approximate location and size of the diverting conduit, and the location and names of all other works or streams which are crossed by or connect with said works, and the boundary of all lands, are fully and correctly designated hereon.
